

Audience Participation Guide

Overview

As an invited guest, you will be joining our Research Day Webinar as an Attendee. This means that you will not have video and voice capabilities. To fully optimize your experience of this event, it is recommended that you use the latest version of Zoom.

Participating in the Live Q&A

- You will be able to ask questions during the live Q&A sessions via the Q&A chat feature. Questions can be viewed by everyone with the option to 'upvote'.
- The Moderators will review your questions before asking them verbally to the Presenter.
- Oral Presentations – individual Q&A (1 minute/ presentation)
- Poster Presentations – general Q&A (14 minutes)
 - Please remember to specify who the question is for as this is a general Q&A.

Scoring the Presentations

- Scoring the Oral Presentations (via Slido): bit.ly/SkinResearchSlido

- You will score each presenter individually after Q&A is over. Please refer to the scoring criteria below. The criteria will also be available on the screen.
